DESCRIPTION OF THE BOOK BLACK & GREY TATTOO - 3 VOLUME SET : FROM STREET ART TO FINE ART

d104 in English, German & Spanish. This volume is somewhat of a misnomer as it's simply called "black & grey" in the tattoo community. But now that greyscale tattooing has moved in different artistic directions, the "traditional" label is used to set it apart from its offshoots. Traditional black & grey denotes tattoo art that has stayed true to its roots -- a time when home-made machines made of cassette motors and guitar strings dipped in India ink and wash were used to mark skin. The essence of black & grey art is captured in the photography of co-author Edgar Hoill. Select imagery, with quotes from the artists and collectors, leads this volume followed by interviews with Jack Rudy, the Godfather of Black & Grey; as well as tattoo prodigy Jesus "Chuey" Quintanar. Their stories and tattoo work precede the gallery, which includes tattoos from other pioneers of the style: Freddy Negrete, Brian Everett, and Mark Mahoney.

9783934020856 - BLACK & GREY TATTOO 1-3: FROM STREET ART TO

Black & Grey Tattoo 1-3: From Street Art to Fine Art and a great selection of similar Used, New and Collectible Books available now at AbeBooks.com. The books also present the fine art -- including paintings and charcoals -- of many of those featured, although the tattoos themselves should be considered fine art. The first volume, Traditional Black & Grey, is somewhat of a misnomer as it's simply called black & grey in the tattoo community. Store Condition: Price + Fees = Total Amazon.co.uk Marketplace no ratings available ships from United Kingdom: Used £65.60 + 6.98 ? \$92.81 : Buy it "unused, clean and in Stock, but has knife marks and tear to back of book sleeve, also slight knife mark to front edge of pages on volume 2.
